
RANP2013 - Takeshi Kodama's Fest

First Circular - Information on accommodation, fee and transport

Dear Participants,

Below you will find important information on accommodation and transport during RANP2013 - Takeshi Kodama's Fest. Since Rio has become the stage for several major international events (Soccer Confederations Cup in 2013, Rock in Rio Festival in 2013, Soccer World Cup in 2014, Olympic Games in 2016, just to mention a few), hotel rates have increased significantly and still they are fully booked very fast. Therefore, we strongly advise all participants to make their hotel reservations at their earliest convenience. The same is true for air tickets, especially overseas.

Fee

The attendance fee is US\$ 100 (approximately R\$215) payable only in cash during the workshop.

Accommodation and transport

We have blocked a number of rooms at 2 hotels in Copacabana for the RANP 2013 participants. The rooms are available from 22 September (Sunday) until 27 September (Friday). Detailed rates as well as the procedure for booking a room can be found in <http://ranp.if.ufrj.br/accommodation.html>.

A bus transfer (to go to the venue and back) will be provided for participants attending RANP2013 - Takeshi Kodama's Fest. The departure and arrival point will be nearby the hotels found in <http://ranp.if.ufrj.br/accommodation.html>. Therefore, those participants who choose among other hotels and hostels in Rio and plan to use the bus should stay in the area nearby the hotels found in <http://ranp.if.ufrj.br/accommodation.html>
