
RANP2013 - Takeshi Kodama's Fest

Third Circular - Data required, bus list, dinner list

Dear Participants,

Below you will find important information on

- Early registration at Hotel Merlin
- Payments in Brazilian Reais
- CBPF access authorization (data required from every participant)
- Bus list (hotels <--> CBPF)
- Conference dinner list of participants

Early registration at Hotel Merlin

Participants can register early at Hotel Merlin on Sunday from 2pm to 6pm. We kindly request that those who arrive during the weekend register on Sunday to speed up the registration process.

Payments in Brazilian Reais

All participants are requested to pay the conference fee and the conference dinner (if the participant will join the dinner) in cash at registration, and in Brazilian Reais, NOT in dollars or euros. The attendance fee is US\$ 100 (approximately R\$ 235).

CBPF access authorization

Access to CBPF, the conference venue, is controlled by permitting entrance only to those persons who are properly identified. Therefore, we kindly ask that all participants send a message with their FULL NAME AND PASSPORT NUMBER to the conference secretary, Ms Zélia Quadros at

zelia@cbpf.br

at their earliest convenience. Brazilian participants can send their national ID number, instead of their passport number.

Names and documents will be checked against a list in the first day of the workshop. In the following days the conference badge should suffice.

Bus list (hotels <--> CBPF)

The current bus list can be found in

<http://ranp2013.if.ufrj.br/bus-list.pdf>

We kindly ask that all participants that have registered to the bus transfer between the hotels and CBPF verify if their names appear on the list. Those who still wish to register should do it immediately.

We remind the participants that, although the venue is in a walking distance from the main hotels, this is not a particularly pleasant walk, since there is a tunnel to cross and the avenues are very busy with traffic.

Conference dinner list

The current conference dinner list can be found in

<http://ranp2013.if.ufrj.br/dinnerlist.html>

We kindly ask that all participants that have registered to the conference dinner verify if their names appear on the list. Those who still wish to register should do it immediately by sending a message to Sol Eventos (soleventos@uol.com.br, subject: RANP dinner) so that they can proceed with the table reservation.

The **dinner**'s price is R\$120,70+10% (around 60 US dollars) and should be paid in cash during the registration. This value does not include

drinks.

We are looking forward to seeing you in Rio!
