Fourth Circular - Bus departure time, talk PDF files and reminders

Dear Participants,

Below you will find important information on some details, and also some final reminders.

Bus departure time

Busses will depart from Hotel Merlin and Hotel Copacabana Mar on Monday (Sept 23) at 8am sharp.

For the rest of the week the departure will be at 8:15am sharp.

Talk PDF files

We kindly ask that all speakers send their talks in a PDF format to Jorge Noronha (jorgenoronha@gmail.com) as soon as possible, and no longer than one day before their talks. All talks will be transferred to a computer in the auditorium and later uploaded to the workshop webpage.

Early registration at Hotel Merlin and payments

Participants can register early at Hotel Merlin on Sunday from 2pm to 6pm. We kindly request that those who arrive during the weekend register on Sunday to speed up the registration process.

All participants are requested to pay the conference fee and the conference dinner (if the participant will join the dinner) in cash at registration, and in Brazilian Reais, NOT in dollars or euros.

ACCESS WILL BE BADGE CONTROLLED. SO, EVERYONE MUST REGISTER ASAP.

CBPF access authorization

Access to CBPF, the conference venue, is controlled by permitting entrance only to those persons who are properly identified. Therefore, we kindly ask that all participants send a message with their FULL NAME, NATIONALITY AND PASSPORT NUMBER to the conference secretary, Ms Zélia Quadros at

zelia@cbpf.br

immediately. Brazilian participants can send their national ID number, instead of their passport number.

Names and documents will be checked against a list in the first day of the workshop. In the following days the conference badge should suffice.

IF YOU DO NOT SEND YOUR DATA, YOUR ACCESS WILL BE DELAYED.
